EURO GRADE 1 COMPACT

Lightweight in design but sturdy in build, the Euro Grade Compact provides a cost-effective security solution for the office or home. As well as square locking bolts to three sides, a continuous dog bar to the hinges and bottom or rear anchor points, this competitively priced safe has a 205° opening fire-resistant (30 minutes) door for optimum access and a VdS class 1 safe lock with the option to fit a combination or electronic locking mechanism. Prepared for base fixing and supplied with an adjustable shelf these safes are available in five sizes providing £10,000 overnight cash cover (£100,000 valuables cover).
